GUARDRAIL PROJECT BEGINS ON STATE ROUTE 18 amended

SAN BERNARDINO – The California Department of Transportation (Caltrans) will begin a seven week, \$659,000 guardrail project on State Route 18 (SR-18) between Green Valley Road and Snow Mountain Valley Resort on September 24, 2018.

The contractor is working to replace guardrail in the one-in-a-half mile segment.

The work hours for the project are from 8:00 a.m. to 4:00 p.m. Monday through Friday. One-way traffic control will be in effect.

Motorists and truck traffic are advised that the guardrail project may require reduced lane width. Please slow down and pay close attention while driving through the construction zone.

If possible use **State Route 38 (SR-38)** to avoid delays.
